

### Retiree Donation

*SHARE (Sandia Helps And Reaches Everyone) provides Sandia retirees a convenient way to reach out and help others in need. The name SHARE appropriately reflects that we come from – and help others in – communities all over the greater Bay Area and San Joaquin Valley. SHARE makes it easy for each of us to contribute to charitable agencies that serve the communities we live in. Thank you for your support!*

Below is a partial list of charitable agencies from which to choose. You can find more information about these agencies, along with many more charitable organizations, by visiting the Agencies page on the SHARE website. You may choose up to 10 agencies to receive your donation. You may also choose to write in a charity not shown here.

There is a Contribution Calculator on the Donation page at <http://www.sandia.gov/SHARE/calc.shtml> to help you determine the weekly payroll deduction for your percentage contribution.

Specify the amount or percentage for each agency you wish to support on the line to the left of that agency. Numbers must total to the fixed amount, or 100%, according to what you have chosen above.
